

Blwyddyn Newydd Dda!

Gardd Flodau Gwyllt

Er mwyn ceisio rhoi ychydig o liw yn y cae chwarae gwnaethpwyd gais am becyn blodau gwyllt gan Cadw Cymru'n Daclus. Mae'r Cyngor Cymuned wedi bod yn llwyddiannus yn eu cais a mi fydd y pecyn yn cyrraedd ganol mis Ionawr. Mae'r pecyn yn cynnwys 80 o fylbiau brodorol, 30 o flodau gwyllt mewn potiau, lafant, planhigion dringo brodorol, gwelyau uchel, compost ac uwchbridd. **Os hoffech helpu i blannu'r rhain a chreu gardd flodau gwyllt cysylltwch â ni.** Does dim angen profiad a mae croeso i bawb o bob oedran.

Plannu Coed

Mae'r coed yn y cae chwarae oedd yn dioddef o glefyd gwywiad yr onnen (ash dieback) wedi eu torri a'u clirio. Fel y nodwyd yn ein cylchlythyr diwethaf, ein gobaith oedd plannu mwy o goed yn eu lle felly gwnaethpwyd gais am lasbrennau (saplings) gan Coed Cadw er mwyn eu plannu i greu coedlan newydd. Mae'r Cyngor Cymuned wedi bod yn llwyddiannus yn eu cais a mi fydd 30 glasbren ar gael i'w plannu rhywbryd ym mis Mawrth. **Os hoffech blannu coeden i helpu'r amgylchedd, i ddathlu genedigaeth neu er cof am rywun arbennig, cysylltwch â ni.** Unwaith eto, does dim angen profiad a mae croeso i bawb o bob oedran.

Happy New Year!

Wildflower Garden

*In order to try to add a little colour to the playing field, an application was made for a wildflower starter pack from Keep Wales Tidy. The Community Council has been successful in their application and the pack will arrive mid-January. The pack includes 80 native bulbs, 30 potted wildflowers, lavender, native climbing plants, raised beds, compost and topsoil. **If you would like to help plant these and create a wildflower garden please get in touch.** No experience is necessary and everyone of all ages are welcome.*

Planting trees

*The trees in the playing field that suffered from ash dieback disease have been cut and cleared. As stated in our last newsletter, our hope was to plant more trees in their place so an application was made for 30 saplings from the Woodland Trust in order to create a new copse. The Community Council has been successful in their application and the saplings will be available for planting sometime in March. **If you would like to plant a tree to help the environment, to celebrate a birth or in memory of someone special, please get in touch.** Once again, no experience is necessary and everyone of all ages are welcome.*
